Note: Cost of revenue and operating expenses of the segments shown above include costs directly attributable to those segments and an allocation of general and administrative and other common or shared costs.

(A) The Music segment primarily includes revenue and related costs from: Rhapsody America's Rhapsody and RadioPass subscription services; sales of digital music content through the Rhapsody service and the RealPlayer music store; and advertising from music websites.

(B) The Media Software and Services (MSS) segment primarily includes revenue and related costs from: the SuperPass premium subscription service; RealPlayer Plus and related products; sales and distribution of third-party software products; and all advertising other than that related directly to our Music and Games businesses.

(C) The Games segment primarily includes revenue and related costs from: the sale of individual games on our websites RealArcade.com, GameHouse.com and Zylom.com; the sales of games subscription services; advertising through our games websites; the sale of games through the syndication on partner sites, and sales of games through wireless carriers.

(D) The Technology Products and Solutions (TPS) segment includes revenue and related costs from: sales of ringback tones, music-on-demand, video-on-demand, messaging, and information services; sales of media delivery system software, including Helix system software and related authoring and publishing tools, both directly to customers and indirectly through original equipment manufacturer channels; support and maintenance services sold to customers who purchase software products; broadcast hosting services; and consulting and professional services that are offered to customers.

(E) Net of noncontrolling interest effect.
